Wedge Co-OD

Summer Reading Program!

We've partnered with Wild Rumpus bookstore to create a reading challenge for our Co-op Explorers.

Whether you are a young explorer or an older one, you will find books about food, farming, nature, and fun, picked especially for you by Wild Rumpus!

- 1. Register online at wedge.coop to let us know you're reading with us and sign up to receive a Co-op Kiddo t-shirt.
- 2. Log your minutes of reading, or being read to, on the back of this card (you don't need to read one of our books to count!).
- 3. When you've filled up the log, turn it in at your co-op customer service desk during July and receive your Co-op Kiddo t-shirt.

Parents! Get 20% OFF your Wild Rumpus book purchase with this reading log.
